

Becky Ebert is a retired NICU/Lactation RN who worked at Children's Hospital for 35 years. She has lived in St. Paul Park for 39 years.

Becky attended Tartan High School, Inver Hills Community and Metro State colleges. She has volunteered in the community as a Girl Scout leader for her daughter's troop for 6 years, helped with the Crossroads Church youth for 7 years, and served as group facilitator for the women's bible study on Wednesday mornings.

After retirement, she felt led to help in the community in St. Paul Park. In her spare time she enjoys sewing, helping my daughter with costumes for high school plays, knitting and making state and county fair award winning jam.
