

Jennifer Abraham earned an MBA from the University of Wisconsin, River Falls. She was born and raised in Cottage Grove. Jennifer has worked in the healthcare industry for over 20 years, and in Quality and Performance Improvement at Allina Healthcare for 15 years. Jennifer also volunteers with hospice patients in the community.

Jennifer lives with her family, 2 dogs and a cat (the real boss of the home). She is happy being back home in Cottage Grove raising her daughter in the same home she was raised in, with their revolving front door of friends and family. In her free time she dabbles in yoga, photography, gardening, and loves listening to live music. If she isn't at home or work, you can likely find her in the Upper Peninsula of Michigan or on the beaches of Florida's Gulf Coast.
