

Mary Maruska is a Senior Operations Analyst for the Information Security division of Delta Air Lines, Inc. After 20 years with Stillwater School's Community Education, including five years on the Minnesota Community Education Association Board of Directors, Mary began working as a contractor in Information Technology within the healthcare, wealth management, and software development fields, before joining Delta Air Lines, Inc. in 2016.

Mary and her family have lived in Cottage Grove since 2008. Her husband runs their Maruska Maintenance business. When she's not working, Mary enjoys traveling, spending time with her family of six and their cat, getting into adventures with friends, visiting small towns/walking somewhere new, attending jazz events, sharing helpful hints with her neighborhood coffee clutch, volunteering for the local elementary and high schools of Cottage Grove and watching Netflix to wind down from the day.
